EIGHTY-EIGHTH ANNUAL REPORT

of the

Upper Canada Bible Society

An Auxiliary of

The Canadian and the British and Foreign Bible Societies

(Being the One Hundred and Eighth Year of the Society's operations under the successive names of "Bible Society of Upper Canada," "York Bible Society," "City of Toronto Bible Society," and "Upper Canada Bible Society.")

FOR THE YEAR ENDING DECEMBER 31st, 1927

THE report of the work done during the year 1927 by the Upper Canada Bible Society is submitted herewith. From the figures presented it will be seen that during last year there was an increase over the previous year in both the amount of money received and also in the amount remitted to the British and Foreign Bible Society, after deducting the cost of work within the Auxiliary. There is also an increase in the number of copies of the Scriptures circulated within our territory. We believe these increases, in themselves neither large nor spectacular, are the signs of slow, steady development and growth, and having in mind that by its very nature the Society's effort is not spasmodic, but is a perpetual and sustained appeal and a continuous labour, perhaps a slow and steady growth is the healthiest sign of real progress.

Serious attention should be given to the statement of the Parent Society that while its income last year was only slightly under \$2,000,000, yet the demands upon it were so great and its opportunities so compelling that it was constrained in its expenditure to exceed its income by \$81,500. Such a statement should stimulate to renewed effort every Bible Society branch and should stir every lover of the Scriptures. We have prayed long for these open doors. The doors have now been opened only to find us in many cases unprepared to enter in. A writer in the "Bible in the World" points out that though the tides are high and the winds favourable and many a harbour long wished for might be made, yet the Society must move forward like a ship with reefed sails. The Parent Society asks all who love the Scriptures to help "Let out the Reefs" lest those "suffering from famine of hearing the words of the Lord, perish before the next tide."

Nor is the call for help always from far-off lands. There would seem to be an increasing demand for the Christianizing influence of the Bible Society's presence amongst us. The knowledge of the spread of anti-Christian propaganda and in particular the announcement of the formation in the United States of an "Anti-Bible Society" have been reflected in our own Auxiliary in an increased appreciation of the Society's value. In the very presence in practically every city, town and hamlet within our boundaries of one of the 540 branches of the Auxiliary there is a mute but perpetual testimony the value of which we are likely to overlook.

During the past year the Society has lost by death two who had given a lifetime of service to this Auxiliary and has also shared in the loss common to all the Canadian Auxiliaries occasioned by the death of the General Secretary of the Canadian Bible Society.

N. W. HOYLES, K.C., LL.D.—

(Late Hon. President, Upper Canada Bible Society.)

The service which Dr. Hoyles rendered this Auxiliary and to the cause of the Bible Society throughout Canada and beyond the Dominion has perhaps seldom been equalled. He first accepted membership on the Board of Directors in 1878 and had therefore completed at the time of his death on November 6th, 1927, a half century of service.

He became a Vice-President in 1896 and President in 1902, which office he held until 1921, when failing health made it necessary for him to relinquish that position. His active interest in the Society continued until the very day of his death.

Dr. Hoyles devoted his great gifts unsparingly to the Society's interests, not only in this Auxiliary in which he bore the highest office, but also as the acknowledged leader in the still larger movement of consolidation among the Canadian and Newfoundland Auxiliaries which resulted in the establishment in 1903 of the Canadian Bible Society. No one could have loved more than he the Society's work, nor have caught more clearly the vision of the greatness and blessedness of its endeavour.

REV. W. B. COOPER, D.D.—

(Late General Secretary, Canadian Bible Society)

In the death of Dr. Cooper on December 1st, 1927, a heavy and irreparable loss has been sustained by all of our Canadian Auxiliaries. Dr. Cooper was appointed in 1907 by the British and Foreign Bible Society, and had therefore rounded out twenty years of service to the Bible Society in Canada. In Dr. Cooper there was combined with sound scholarship and great business ability, a character of singular attractiveness and a deep piety. To its lasting good the work throughout Canada has received the indelible imprint of his character and ability. This Auxiliary is indebted for numerous instances of wise counsel, to his broad sympathy and Christian statesmanship so willingly placed at our disposal.

His loss to many is the loss of a close personal friend, and to all connected with the Society's work the passing of a wise counsellor.

REV. JESSE GIBSON—

(Late Permanent Secretary, Upper Canada Bible Society.)

Rev. Jesse Gibson became a Director of the Upper Canada Bible Society in 1900 and was actively connected with the Auxiliary for twenty-four years—for six years as a member of its Board and for eighteen years as its Permanent Secretary. Though failing health compelled him in 1924 to retire from active duty, he retained to the very end his intense interest in and affection for the great enterprise in which the Society is engaged. In his death there ended a life of unique service to the Bible Society. His strength was spent in unstinted measure and the Society's work was the very joy of his heart. Much of the development which this Auxiliary enjoyed during the first quarter of the present century was the direct outcome of Mr. Gibson's work.

After a long and painful illness he passed to his rest on August 10th, 1927. Truly may it be said, "His works do follow him."

In each of these lives the long service given has been a vital factor in establishing the solid foundation upon which the work now goes on. Truly they have laboured and we have entered into their labours.

AGENCY DEPARTMENT

All work connected with the organization of local branches and with the rendering of any assistance necessary in keeping such branches effective is under the direction of the Agency Committee. There are now 541 branches scattered throughout the territory of this Auxiliary—most of them requiring a visit each year from one of the Secretaries or from a deputation. It has been found that a closer contact with the officers of a branch and a special effort to help it meet its own peculiar problems have resulted in much more useful and effective work being done. Every effort has been made to come into close personal contact with the branch executives and to ascertain what type of assistance will likely be most useful. The response from the branches has shown a wide-spread desire to improve and develop the local organizations and to increase their efficiency. Changing conditions have required in many cases changed methods and the year has been characterized by much experimental work—Branches of the type effected by these changed methods show, in many cases, a notable improvement.

We would place on record the great obligation we are under to the Branch Officers without whose active co-operation the work could never succeed. No less is the Society indebted to the collectors whose work can only be done at considerable sacrifice of time and effort. The common vision of the glory of the work should unite all who serve the Bible Society in a brotherhood of service.

We would again call attention to the Honor Roll of branch Officers on page 2. While death is always removing names from this list, yet those whose service in an official capacity extends to the quarter of a century make the list longer each year. There would seem to be no surer sign of the sustained loyalty and devotion which the Society enjoys.

We have received as usual valuable assistance from members of the Board of Directors and others in providing deputations for field days in the larger cities, and desire to thank those who have helped in this material way.

COLPORTAGE DEPARTMENT

It is with grateful hearts and extreme satisfaction that we look back on a year of unparalleled success in our Colportage Work. Our five intrepid and tireless Colporteurs, H. S. Sanders, R. A. Cathcart, H. W. Mitchell, W. Richardson and F. G. Bailey, have worked nobly in circulating the Gospel of Christ, and the results of their indefatigable zeal has resulted in an increase of \$888.70 Cash, and 2,726 Issues over last year's endeavour.

The Colporteur is the Sower of the Seed and therefore the results of his labours cannot be measured merely by financial standards. One of our Colporteurs, in commenting on his year's work, very fittingly expresses his conception of the work to which he is devoting his life:

"The standard of success in this work cannot be measured by financial profit, but by the Colporteur embracing the opportunities to sow the Seed of the Kingdom and discharging his responsibilities with honor to God and blessing to his fellow men."

put to to maintain their own families on their very modest salaries, the majority of our men have bravely persevered and some of them were wonderfully successful with their sales."

Mr. Sheppard, in speaking of the work of Colporteur Cynn Tai Chong, of Sungjin, China, says:—

"Mr. Cynn has sent in an interesting report from which the following is culled:—

'Last year I was working in the Kapsan county, and one day, when selling Gospels in the main street of a village, I heard four or five young men engaging in a conversation in one of the village stores.

'Look at that Christian fellow coming along the street,' said one. 'Some years ago Christians were seldom seen, but now one meets them frequently, even in these out-of-the-way villages.'

'Do you not favour Christianity?' asked another. 'In the end you and I too will have to become Christians.'

'Why do you think so?' asked the first speaker.

'Because Christianity is the world-wide religion,' was the reply. 'In every nation it is accepted as a noble and reliable religion, and whenever and wherever these Christians meet they begin and end with the name of Jesus. The time has come for this religion to be more widely spread in our country. Very soon in this village there will be a Christian church.'

'Christianity seems to have already cast its charm over you. But, you must remember that it is an Occidental religion, and because of that we must have nothing to do with it. We have many good religions in the Orient.'

'It matters not whether it originated in the Occident or the Orient. If Christianity is a better religion than our Eastern religions we should accept it without hesitation.'

'At this point I stepped into the store and asked them to buy Gospels, which they did gladly. After giving them some exhortation, I left.

'One Sunday in June a young man came into the church where I was worshipping and said that he had bought Gospels a few days ago, and had read them with interest. He had found out that Jesus is the only Saviour of men and had decided to believe in Him. He is now an earnest Christian.'

Of Colporteur Kiang-Cheng-yi, who works in the Province of Shantung, we are able to glean the following:—

"Kiang-Cheng-yi has been in fellowship with us for over 20 years and is only now 45 years of age. His father has been a Christian for many years and he heard the Gospel from him and was converted 25 years ago and has gone on very steadily, and is very earnest and energetic in spreading the Gospel. He was cook to the late Dr. Case for some time and accompanied him on several of his itinerating trips and helped in many ways to forward the Gospel work.

"This is a farming district, and the villages are very scattered and not accessible easily because of the distance. It is estimated that there is a population of about 1,000,000. We are thankful for this man's work as he goes from village to village selling the Word of God and preaching the Gospel. In the springtime in this district there are many large fairs held

at the Temples and on the hills for several days, at which great crowds assemble. In front of the Temple a theatre is erected and there are two performances daily.

"I went with our Colporteur last May to such a fair, and on arrival there we heard the general remark, 'The booksellers have come.' We got to business at once, selling and preaching the Word, and great crowds came to hear the message. In this way many fairs are visited and we have met many who are interested in hearing the Gospel. Although we may never see them again yet the seed has been sown and we pray that they will turn to God from their idols.

"I would also mention that there are many markets held in many villages, and these the Colporteur also attends and has good opportunities for witnessing for Christ."

We are also able to learn something of the self-sacrificing toil of Colporteur Hsing-Chin-pang, who has been working in the Province of Kansu. Mr. Shepard reports as follows:—

"Mr. Hsing has had an unbroken year at his book-selling work. Literally from January to December, with very few breaks, he has been sowing the seed. It is true that some may have fallen by the wayside, and some on the stony ground, and even some among the thorns, but it is also true that some has fallen on good ground, and this will bring forth fruit in due time according to the Divine promise.

"All of his journeys (which have amounted to a good twenty or more during the full year), have been done on foot. With his two boxes suspended from the end of a pole across his shoulders, holding about forty pounds of books, he has travelled many a hundred miles. Often foot-sore and weary in body, he would have to spend the night in some out-of-the-way village or town, where nobody would even give him a place to sleep, the only alternative being in some Temple or in somebody's straw room. Colporteurs get used to this. 'Despised and rejected' is often their experience, and through it all there is a smiling countenance which makes one marvel. The work of the Colporteur is by no means a paying one, for nearly all the wages is spent in food and clothes and travelling expenses. It is indeed often the work of love which keeps them to their work.

"Mr. Hsing's experiences have been varied, and he has travelled far and wide, over plain and valley, travelling over mountains over 15,000 feet above sea level. We pray and hope that there may be many results from the 9,640 books sold on these trips, and surely we have a right to believe in the promise, 'My Word shall not return to Me void.'"

We are assured that such labours of love will commend themselves to all our readers, whom we are sure, with us, will be thankful that amid such inimical circumstances and despite afflictive opposition, God is working out His own purposes, breaking down barriers and enabling the Colporteur to continue selling the Word and preaching the Gospel.

Further comment from us would be superfluous, except to add our deep indebtedness to those in the Upper Canada Auxiliary who, by their generous support, are making possible this great and glorious work.

The British and Foreign Bible Society

THE British and Foreign Bible Society, which is the Parent Society and vital centre of all our work, in its last Report states that:

For the first time in its history, they are able to announce that in the space of twelve months fourteen new versions of Scripture have been added through the agency of the Society to the world's sacred literature.

During the past twenty-five years one fresh language has been captured for the Kingdom of God every six weeks; during the previous year the average has risen to one language every twenty-six days.

At the beginning of the present century the versions published, or circulated, by the Society, numbered 363; they now number 593. The list includes the entire Bible in 144 forms of speech, the New Testament in 138 more, and at least one complete book of Scripture in 311 others.

Of the new versions, nine are for Africa, one is for China, one for South America, and three are for Oceania.

The Society's issues for the year ending March 31st, 1927, totalled 10,128,087 copies, making a total of over 375 million copies of the Scriptures circulated by the Society since its institution in the year 1804.

An interesting feature of this immense circulation is that of the foreign editions issued during the year, two out of every five copies were placed in the hands of inhabitants of China.

The year's income of the Parent Society amounted to \$1,980,000, the expenditure to \$2,060,000; there was therefore a deficiency of approximately \$80,000 on the year's workings.

The Canadian Bible Society

The Canadian Bible Society is the link which unifies the work of the fifteen Canadian Auxiliaries stretching from Newfoundland to British Columbia.

The following summary taken from the last Report of the Canadian Bible Society indicates the extensive operations of their fifteen federated Auxiliaries throughout the whole Dominion.

The Society circulated during 1926, 412,159 Scriptures: Of these—the largest circulation in our history—103,269 were distributed at the seaports.

Thirty-two Colporteurs (men and women) were employed.

\$144,355 was contributed by the various Auxiliaries for the work of the Society.

\$45,408 was expended in Field Work.

\$54,770 was expended in Bible purchases.

\$63,000 was sent to the Parent Society.'

Special Donations

INTEREST PAID TO DONORS DURING THEIR LIFETIME.

THE Society is prepared to accept Donations from persons who are interested in the circulation of the Word of God through the medium of the British and Foreign Bible Society and its Agencies, with the understanding and agreement that it will pay to the Donor interest (graded according to the age of the subscriber) during his or her lifetime.

This plan will commend itself to many of our subscribers in that the Donor is making himself his own executor in so far as the amount of the Donation is concerned, and saving himself from any further trouble and anxiety in connection with the investment for the rest of his life.

There are many friends of the Society who accept this plan as a means of witnessing the results of their beneficence whilst they live instead of donating money to the Society's work through their Wills.

If you are interested in this plan, write the Business Manager, Upper Canada Bible Society, 14 College Street, Toronto, stating your age at nearest birthday, when further particulars will gladly be sent you.

BEQUESTS

THE Society has received many Bequests under the Wills of departed friends who, during their lifetime, had made provision for the furtherance of the work of the Bible Society, either in the Dominion of Canada, or the various Mission Fields. In many instances, these friends were generous supporters of the Society during their life. "They now rest from their labours and their works do follow them."

We here pay homage to the memory of the late Jesse Ketchum, who, by his beneficence in the year 1858, left the Society a share in the property formerly occupied by us on Yonge Street, Toronto, the rental from which has paid the entire cost of our present Bible House.

Many who cannot give large sums to the world-wide work of the Bible Society during their lifetime may, through a bequest, extend their influence many years.

FORM OF BEQUEST

TO THE

UPPER CANADA BIBLE SOCIETY

I bequeath the sum of.....dollars
to the UPPER CANADA BIBLE SOCIETY, to be paid
to the said Society for its general purposes, as the Board
of Directors may from time to time determine, the receipt
of the duly appointed officers of the said Society to be a
good discharge for the same.

GRANTS TO SUNDAY SCHOOLS AND MISSIONS

1. Mission Churches and Schools under denominational auspices are not in general to be considered fit objects for the gratuities of this Society; but Missions among Indians, Jews, French-Canadians, Chinese, Italians, etc, though under denominational auspices, are not to be taken as coming under this general rule.

2. All applications for grants of Bibles to Sunday Schools or Missions should be made upon the forms heretofore prescribed. The applicant shall state the condition of the school or mission, the number of scholars and teachers, or of the attendants, as the case may be; the amount of funds at the disposal of the managers; who are its officers; and why it is necessary to make such application. These applications should in every case be certified by a minister of the Gospel, or some person of known respectability.
